Raising Praise for All Our Days: New Lyrics for Familiar and Beloved American Tunes draws from  
the deep reservoir of classic and beloved tunes known to generations of Americans and pairs them  
with lyrics that proclaim the love of God and the joy that comes from living with that love. Carol  
Carlson, the lyricist, has tapped into the insights she has gained from homeschooling her children.  
Working with them has shown her how powerfully singing aids memory. That realization sparked her  
desire to help others learn about and live with the love of God. The presentation of each song in  
Raising Praise for All Our Days suggests the tune to which the new lyrics fit. So, for instance, O,  
Give Me a Heart pairs with the classic tune for Home on the Range. The verse lifts up a life that  
brings God glory: O, give me a heart, yes, a big happy heart / That cares for Your children each day.  
/ Make me happy to be Your hands and Your feet / So glory to You can be raised. Raising Praise for  
All Our Days: New Lyrics for Familiar and Beloved American Tunes promises to breathe new life into  
old tunes while bringing those time-tested and beloved melodies to the joyous task of giving voice to  
praises that celebrate Gods love for His children. This powerful book, featuring lightly updated text  
and scripture from the New King James Version of the Bible, shares the ministering spirit of the  
heavenly Father, providing listeners with encouragement, hope, comfort, and conviction. Through  
compelling prose and poetry, author Frances J. Roberts challenges listeners to seek a deeper  
intimacy with God. This series of five monologues all center around people grappling with the  
significance of the cross and Christ's sacrifice. At Willow Creek we used a very large cross which  
appeared to have crashed through the roof of the church and into the lives of these people.  
Monologue #1: A woman is perplexed because she understands the fact of Jesus death on a cross-  
she can even picture the nails through his hands and the sweat on his forehead-but she struggles  
with appropriating his sacrifice for her, personally. She says, "God so loved the world," but questions  
if that means her. Monologue #2: A woman is confronted by her husband's sudden request for a  
divorce and is in great pain. She stumbles into church and feels angry, where is God when life really  
stinks? Then the words of a song strike her, "Jesus loves the brokenhearted because his heart was  
broken too." Jesus understands and cares, she experiences the depth of his love at a time when she  
needs it the most. Monologue #3: A woman recounts when her college roommate entered their room  
in tears. The roommate tells her she was just in a Bible study and it hit her that she didn't know

where her friend was going when she died. The woman is very touched by her roommate's genuine concern and sincerity. She asks, "What makes someone care that much?" Monologue #4: A chance encounter with a woman at K-Mart causes another woman, a Christian, to sense she should start a conversation with her. Through the course of the conversation she finds out the woman is not doing well. She is trying to find a place to live so she can get her baby back. The woman pours out her heart, even showing pictures of her baby. Moved by the story, the Christian reaches out offering help and hope. Monologue #5: At a time when his life feels out of control, a man sits in quiet on a pier at a lake. He pours out his thoughts and frustrations to God. He is hurt and struggling and even blames God. When he is done, he stands in silence and is suddenly overwhelmed with a feeling of peace. He senses God knows his struggles and imagines God challenging him with the simple question, "Am I enough?"

Knowing her God was bigger than any cancer, my ten-year-old daughter, Christina, faced this tremendous obstacle with unwavering faith and a smile in her heart. There was no room for anger, and the question, Why me? would never be asked. Instead, this diagnosis was answered with, Use me. Use me, Lord, for Your Name and Your Glory! People ask me, "How do you do it? How do you watch your daughter walk through such a storm and then go on after she has passed away?" My answer is quite simple: How could I watch my own daughter carry her cross with such a sweet gentle spirit for Christ and not pick up and carry mine? Every moment of every day was a challenge. The only way to make it through was to lean on our Lord. With Christ, Christina turned a dismal situation into life lessons. With Christ, I go on and weather every storm that comes my way. Through Christ, I find the strength to share Christinas testimony with the world, praying that others will be changed and even saved by the grace of God if they dont know Him. In the end, the clouds will make way for a vibrant rainbow filled with Gods promises. In Christ, I write this book, knowing "If Theres A Mailbox In Heaven," I send all that is within me to my beloved daughter. Praise to Jesus Christ who is the reason I still have purpose! I pray my words bless and inspire all who read them. It is all for His Name and His glory.

Forty years ago, Toolan composed the words and music of the famous hymn I Am the Bread of Life, performed in 25 languages worldwide. Today, Toolan is one of the most respected writers of religious hymns in the world; the story behind her work sparks creativity in other artists and musicians. (Motivation) Prepare Now for America's Fall The enemies of free-market capitalism have launched their final attack. History's most powerful nation soon will be reduced to an isolated, impoverished country with no influence over international affairs. A close reading of prophecy reveals no mention of the United States. The wealthiest and most powerful nation in history will play no visible role in the culminating events of this age. Prophecy expert Grant R. Jeffrey has exposed the hidden causes behind the rapid disappearance of America as we know it. No longer will other nations count on America to come to their aid. Aggressor nations will not have to fear the possibility of U.S. retaliation because very soon, America will be too weak to take action. And just at the time when the United States is weakened nearly beyond recognition, the Antichrist will unleash his evil rule over the world. When America falls, the collapse will come rapidly. It is to your advantage to know in advance what to look for. In One Nation, Under Attack you will find a workable plan to help you protect your family and your future from the far-reaching economic devastation to come. Identity Wars is a journey of self discovery. It's an invitation to learn your value in a purely relational context. Our lives are bombarded with a constant drone of messages telling us that success only comes from proving to ourselves and the world that we have what it takes, that we have the right stuff. It is a system that teaches us to only feel valuable and important when we achieve and perform to a certain standard. The results of this system are in and the evidence is not good. Millions are depressed and 100's of people a day ending their lives in despair. I invite you to learn the true nature of the war we are in - an identity war of what defines our value and worth. The stakes are high because it is life and death. This book contains my journey and the principles I learnt along the way. Freedom is a relative thing but this book documents my road to freedom. Please note: This is a companion version & not the original book. Sample Book Insights: #1 She did it all. And then some. Martha's duties were so heavy that she was often called the most competent female in the neighborhood. Martha's single minded devotion to her family's success was such that she had

little time for socializing and no desire to do so. Martha was a stay-at-home mom, but she didn't wish to just sit around. She was busy building the foundation of her family's wealth—all while raising seven children and running the household. Not long ago, I read a book about a woman named Harriet Beecher Stowe. She was the author of *Uncle Tom's Cabin*, which told the story of a group of slaves who escaped to freedom in the North and became an important tool in the fight against slavery. As a young girl, Harriet wanted to be a teacher, but her family could not afford it. Instead, she became a teacher's assistant, and later opened an academy of her own. Because her husband had died young, she needed to support her growing family as well as pay for her own education. By age 21, she had published two books and had become a sought-after speaker.

A dual account of the former president and first lady describes their post-White House careers and highlights such topics as midlife marriage, America's health-care issues, the efforts of the Carter Center, and more.

Original. UP. Reflecting upon his life in the Millennial Kingdom, Josh Daniels remembered his adventurous life in Christ. From his childhood to the Tribulation, God was faithful to Josh and his family during the darkest time in human history. As a young man, Josh surrendered his life to Jesus to follow Him no matter the cost. In God's providence, he married his beloved wife, Belva. As an adult, Josh continued to be faithful to Jesus as a husband, father and military officer in war and peace. God used the good and bad in Josh's life to prepare him for the greatest trial in history, the Tribulation. Caught up in an evil, chaotic world opposed to Christ, Josh and his family were faithful witnesses of Jesus ministering to a desperate world until the gathering of the saints. Josh and his family know their sacrifice for Jesus was worth it for eternity. Josiah Judah is the pen name for a man that wants to glorify God in every of his life. Josiah lives with his wife and Boston terrier in the southeastern United States. With his wife's unwavering support, Josiah served in the US Army for over twenty years. He continues to support the US Army as a private contractor. Josiah and his wife are faithful members of a local Church of God. Josiah and his wife are also ordained ministers serving the Lord in various capacities. Josiah loves to read and spends time with his family and friends. He has a heart for teaching the Bible to people and desires to disciple believers in their relationship with Jesus. You can connect with Josiah and learn more about his characters in this novel and his inspirations for the his novel on his Facebook page, While the spiritual atmosphere grows more toxic and the world becomes more anti-God, Christians are engaging less and less with their faith in Christ and the power of the Holy Spirit. We do not have to fear the future. But we must not be surprised by it or be unprepared to face it. In this insightful book, David Sliker helps readers understand and prepare for a future filled with glory and victory for the church, unfolding in the context of unprecedented rage, rebellion, and resistance by the world around us. Full of practical application, this book connects readers to the current storm that is upon us, contextualizing today's news, current events, and cultural narratives through the lens of biblical prophecy and the return of Jesus. The greatest days of the church lie ahead. We can stand strong, persevere, and overcome in these days! Both a daily devotional and an in-depth Bible study, *God's Beloved Daughters* is a tool "to strengthen and establish and to exhort and comfort and encourage you in your faith" (I Thessalonians 3:2). Throughout her years serving in the ministry of Christian education, and as friend, mother, and mentor, Merrilynn Grodecki has championed her passion for seeing God's daughters step into that grace-enhanced, mountain-moving, peace-filled life that is theirs in Him. Now, after decades of studying God's ways of doing and being right concerning all of life's issues, she has written this devotional to help each beautiful daughter of God walk in the fullness of life in Christ and discover the eternal truth of God's promises. Wife, mother, student, teacher, lawyer, doctor, businesswoman, pastor—despite all of these titles, there is one role that takes priority over all others—daughter! Our heavenly identity not only defines and characterizes every other relationship we take part in, it prioritizes our daily motivation. God's daughters; His ambassadors to the neighborhood, the workplace and the world. Do you see yourself that way? Do you open your door in

the morning to step out into the day with that kind of vision? Do your heavenly credentials, your Kingdom citizenship, define for you your determined purpose? Each day offers an opportunity to practice our ambassadorship and extend God's love. We awake each morning to love God, to serve Him and continue to be loved and known by Him... Walk out in that carefree graciousness that will compel the world to take a closer look at what makes you different. "I don't know what she's got," they will say, "but I want it." Fiction. Do we call TOUGHLAHOMA the satire we all deserve, a monstrously true fable of the late days of capitalism? We could say, for instance, that TOUGHLAHOMA crosses Vico's early sociological theories with Hobbes's and Locke's conflicting notions of the state of nature to tell the story of one civilization's failed attempts to become civilized. Or we could say that TOUGHLAHOMA is simply a first account of the Toughlahomans and what they did and do: Jesus went to the End and back before inventing Uglahoma. Ishmael kicked ass and said taglines all over Roughlahoma. Good Dad mostly stayed put. The rest of them hang around the Community Center chewing their Necro Wafers and just being themselves bicepsual, troublesexual, and martially artistic in case they ever get to have a war. Let's call TOUGHLAHOMA a history, a scripture, a goddamn dithyramb, and a public relations campaign all in one. "In the post-apocalyptic, Mad Max world of literature, Christian TeBordo is the guy with the shotgun." Amelia Gray "A non-stop rush of luscious language and ingeniously twisted story logic told from another dimension, perhaps the fifth or sixth." David Ohle" In the tradition of Jon Krakauer's Under the Banner of Heaven, Don Lattin's Jesus Freaks is the story of a shocking pilgrimage of revenge that left two people dead and shed new light on The Family International, one of the most controversial religious movements to emerge from the spiritual turmoil of the sixties and seventies. Some say The Family International—previously known as the Children of God—began with the best intentions. But their sexual and spiritual excesses soon forced them to go underground and follow a dark and dangerous path. Their charismatic leader, David "Moses" Berg, preached a radical critique of the piety and hypocrisy of mainstream Christianity. But Berg's message quickly devolved into its own web of lies. He lusted for power and unlimited access to female members of his flock—including young girls and teenagers—and became a drunken tyrant, setting up re-indoctrination camps around the world for rebellious teenagers under his control. Thousands of children raised in The Family would defect and try to live normal lives, but the prophet's heir apparent, Ricky "Davidito" Rodriguez, was unable to either bear the excesses of the cult or fit into normal society. Sexually and emotionally abused as a child, Ricky left the fold and began a crusade to destroy the only family he ever knew, including a plot to kill his own mother. Veteran journalist Don Lattin has written a powerful, engrossing book about this uniquely American tragedy. Jesus Freaks is a cautionary tale for those who fail to question the prophecies and proclamations of anyone who claims to speak for God. A MURDERER who would change the WORLD From multi-million copy best-selling novelist Jerry Jenkins comes a compelling international thriller that conveys you from present-day Texas to a dank Roman dungeon in A.D. 67, then down the dusty roads of ancient Israel, Asia, and back to Rome. A young seminary professor, Augustine Knox, is drawn into a deadly race to save priceless parchments from antiquities thieves and discovers a two-thousand-year old connection with another who faced death for the sake of the truth. I, Saul consists of two riveting adventures in one, transporting you between the stories of Augustine Knox and Saul of Tarsus. Filled with political intrigue, romance, and rich historical detail, I, Saul is a thrilling tale of loyal friendships tested by life-or-death quests, set two millennia apart, told by a master storyteller. Do you want to know what the future holds? Not from a "fortune teller" standpoint, but as to what God says is coming down the pike whether we like it or not. His predictions are 100% accurate, 100% of the time. Why do we seldom hear sermons from the Book of Revelation? Because most preachers and teachers prefer to avoid controversy. And, since there are a number of interpretations, they say it is best to ignore them all. But think about this- one-fourth of the New Testament is composed of prophecy! Does God want us to ignore one-fourth of the New Testament? No! As the book Finally Home explains, taking a literal interpretation of Scripture clears up virtually all of the controversy. In other words, God knows how to communicate and He lays out clearly His master plan for the end of the age. For unbelievers many of the scenes are painful, but

for the Christian you are missing out if you are not looking for the outstanding times that await you! Finally Home tells you what to expect in the end times. It shows you the big picture so that, as world politics change, you will not be taken unawares. It will give you the encouragement to stand firm as the world continues to grow dark, knowing that your faithfulness and perseverance will deliver you -- Finally Home! A Miraculous Life tells of the miracles that Bruce Van Natta has personally experienced, including when he received a hug from Jesus at age five, when God called his name in a church service at nineteen, and when he saw the angels sent to save his life during an out-of-body experience at the point of death. Each encounter is given as an example of the knowledge and insights he has learned within the context of Scripture. An engaging history of the Shepherding Movement, an influential and controversial expression of the charismatic renewal in the 1970s and 1980s. This neopentecostal movement, led by popular Bible teachers Ern Baxter, Don Basham, Bob Mumford, Derek Prince and Charles Simpson, became a house church movement in the United States. The Shepherding Movement is a case study of an attempt at renewing church structures. Many critics accused the movement of being authoritarian because of its emphasis on submission to a personal pastor or "shepherd" as they termed it. The Divine pattern touches every aspect of our lives and holds the key to joy, peace and harmony within our marriages, communities, churches and all social structures within our world. In the relationship between God and His Son, we behold the key to this divine pattern. The more and more we behold them, love them and pattern our lives after them, the more receptive we become to their channel of blessing in our lives. Before this world began, Satan and his angels moved to obscure the divine pattern and replace it with a counterfeit that would break the circuit of God's boundless love and bring untold misery to the world. Uncover this deceptive counterfeit and see, in the great original divine pattern the key for returning our church to the worship of God and His Son. Raised by her aunt and uncle at the rectory in the small English village of Grimston Way, lovely Evy Varley remembers little of her missionary parents and nothing of South Africa, the land where she was orphaned during the Zulu War of 1878. But when Sir Rogan Chantry, the arrogant and handsome son of the local Squire, accuses Evy's mother of stealing the infamous Kimberly Black Diamond, Evy sets out to prove the rogue wrong and clear her mother's name. Secrets abound, however, from the diamond mines of South Africa to the halls of her own beloved rectory. Strangers come to Grimston Way for their own mysterious purposes, a stunned Evy finds that her own aunt and uncle may have concealed disturbing truths about her family, and the dashing Sir Rogan has his own reasons to seek the missing diamond. Yet despite Rogan's seemingly rakish ways and the class differences that render a romance between them impossible, Evy finds herself drawn to the man who was once her childhood friend and now holds the keys to her heart. Faced with a dangerous past and an uncertain future, Evy must draw upon her wits and her faith to pursue Tomorrow's Treasure. A story of faith, danger and romance, Tomorrow's Treasure is a masterpiece of historical suspense fiction. Prima, the first things. 1674 -- The doctrine and directions, but more especially, the practice and behaviour of a man in the act of the new birth. 1673 -- Media, the middle things. 1674 -- Ultima, the last things. 1764. After the events of 911 and the collapse of the twin towers, Maatan and Stella realise they are actually trapper within the city of Constance under an electromagnetic dome that surrounds the city. All of the inhabitants of the city are connected to the network under the guise of an immunisation program intended to protect them. In reality, this system prevents the mind from engaging a higher state of reality. Maatan discovers the divine pattern key to escaping the city at the very fountain created in brass, dedicated to Apollo and his associates. Trace the amazing escape of Maatan, Stella, their family, and friends from the city dedicated to a rebellion against God and His beloved Son. Echoes. Through time. Across generations. With 365 undated readings, it can be started anytime during the year. The meditations draw selections from Murray's most beloved books including Humility, Absolute Surrender, Abiding in Christ, and many more. This 19th-century writer speaks to today's reader as clearly as he did to his audience a century ago. The first edition of the new Catechism went out across the world in many language versions. This gave the local Churches the chance to study it in depth. Through their bishops and teachers they responded with comments on texts that needed refinement. The present edition was developed in the light of these comments and published in Latin as the definitive Editio Typica. This book is the English translation of the Editio Typica. "You cannot read Lifesigns and not be moved... This book will undoubtedly find its place among the classics of twentieth-century literature." --Grand Rapids Press The inspirational writings of Henri Nouwen have touched millions of readers all over the world. Much beloved as a lecturer, spiritual guide, and especially as an author, he communicated a profound message of hope that finds great resonance in today's world. In his now classic work Lifesigns, he explores what he saw as three of the most vital aspects of his ministry. The first of these is the Gospel invitation to intimacy, which Nouwen describes as communion with God and relationship with others. The second is the call to fecundity, exhorting us to be open to a fruitful life of change and growth. And the third, the experience of ecstasy, extends the Gospel promise "that your joy may be full." Inspired by L'Arche, the worldwide network of communities where handicapped people and their assistants try to live together in the spirit of the Scriptures, Nouwen shows how these three elements offer the essential key to a life free from the domination of fear and filled instead with hope and love. Does God judge humans? Most cultures around the world hold to a principle that everyone is going to face judgment for the things they have done in this life. Jesus Christ provides a simple principle to endure this judgment process. "Judge not, that you be not judged." -Matthew 7:1 What is it like to live in a realm where you cease to judge others? How is this possible? We are constantly judging people's looks, height, weight, skills. We judge people for their skin colour, their religious affiliation, their social status, their income and their intellect. Where can we turn to find the perfect example of someone who does not judge so that we can follow this example? Jesus tells us "You judge by human standards; I pass judgment on no one." -John 8:15, How can it be possible that Jesus does not judge anyone? How can justice be done

if He does not judge anyone? Consider what Jesus says about His Father also. "Moreover, the Father judges no one, but has entrusted all judgment to the Son." -John 5:22 Doesn't the Bible speak of the judgment of God where everyone gets their just deserts? How does this match with the words of Jesus? Learn the secrets of overcoming the condemnation we feel when we fail and the scorn we can feel for others when they fail us. Former president Jimmy Carter reflects on aging, blending memoir, anecdote, political savvy, and practical advice to truly illuminate the rich promises of growing older. "As we've grown older, the results have been surprisingly good," writes former president Jimmy Carter in this wise, deeply personal meditation on the new experiences that come to us with age. President Carter had never enjoyed more prestige or influence on the world stage, nor had he ever felt more profound happiness with himself, with his accomplishments, and with his beloved wife, Rosalynn, than in his golden years. In *The Virtues of Aging*, Jimmy Carter shares the knowledge and the pleasures that age have brought him. The approach to old age was not an easy one for President Carter. At fifty-six, having lost a presidential election, he found himself involuntarily retired from a job he loved and facing a large debt on his farm and warehouse business. President Carter writes movingly here of how he and Rosalynn overcame their despair and disappointment as together they met the challenges ahead. President Carter delves into issues he and millions of others confront in planning for retirement, undertaking new diet and exercise regimens, coping with age prejudice, and sorting out key political questions. On a more intimate level, Carter paints a glowing portrait of his happy marriage to Rosalynn, a relationship that deepened when they became grandparents. Here too are fascinating sketches of world leaders, Nobel laureates, and great thinkers President Carter has been privileged to know—and the valuable lessons on aging he learned from them. *The Virtues of Aging* celebrates both the blessings that come to us as we grow older and the blessings older people can bestow upon others. An important and moving book, written with gentleness, humor, and love, *The Virtues of Aging* is a treasure for readers of all ages. There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you. Please note: This is a companion version & not the original book. Sample Book Insights: #1 When the police found Thomas Wu, he was in the barnlike Puh-Chi, conducting an exorcism. The police captain understood the priest's message to be that he had found the wanted man. #2 The storehouse was an inferno. With a tearing crash, the roof caved in. The flames shot up triumphantly and licked the outside walls, burning and consuming ravenously. #3 During the war years in China, Michael was able to escape the Japanese occupation by hiding out with a police captain and a few parishioners. They made their way north-westwards, barely escaping the tightening Japanese net. #4 I was not to learn of Michael for some time, or of the special price he had to pay day by day until his death. *Acts of Our Gentle God* presents compelling evidence from the Bible to exonerate God of the charges that he is uncaring, judgmental, controlling, unfair, bad-tempered, or violent. The book demonstrates that the entire Bible, correctly understood, is in harmony with the definitive statement God is love (1 John 4:8). Why was the Cross required and who required it? How does the Cross change human hearts and lead to salvation? How can such an act of violence lead to a life of peace? When Sr. Miriam James Heidland's life as a successful college athlete proved unfulfilling, she went searching for

something deeper and ended up falling in love with Jesus. By charting her own journey toward wholeness, Heidland invites young Catholics to pursue their own relationship with Jesus. Although originally full of athletic ambition and goals for a career in sports news, Heidland was transformed in a very slow but deep way during her undergraduate years, moving from party girl to bride of Christ. In *Loved as I Am: An Invitation to Conversion, Healing, and Freedom through Jesus*, Heidland helps readers learn from her experience of seeking love in the wrong places and instead finding it in Christ. She shares her struggles—learning she was adopted, battling alcoholism, and healing from childhood sexual abuse—as signs of hope that anyone who desires to know Christ can find him and be loved intimately by him in return. By bringing readers into Heidland’s healing process, *Loved as I Am* provides a gentle and subtle template for finding peace and freedom in Jesus. The book of Hebrews appeared during a critical time in the history of the early church. The destruction of Jerusalem was impending and many of the believers believed the end of the world was near. However, Paul warned the church against entertaining a false hope, for he knew they were misguided with their beliefs. It was a critical time—the apostles were passing away, and soon the church would be left alone. It was in this hour of perplexity that the book of Hebrews appeared with needed light and comfort. The people needed a clear conception of the work Christ was doing for them in the courts above, and this book explained the delay in His return, and restored their wavering faith. The conditions and problems which the church then had to meet are not unlike those facing the church today. While the early church was living at the time of the fulfillment of the first part of Christ’s prophecy—the destruction of the city of Jerusalem and the temple, we are living at the time of the fulfillment of the second part of the prophecy—the coming of the Lord Jesus in the clouds of heaven. As there were misconceptions of Christ’s work in the sanctuary then, so there are those now who likewise err. There is as much need today of a thorough study of the Scriptures as there was then, and more so. The book of Hebrews was a great factor in stabilizing the apostolic church in the crisis hour before the fall of Jerusalem, and it is hoped that a discussion of the mighty themes of the book of Hebrews will be of some help to the church of God today. All need to have their eyes fastened on our great High Priest and the work He is doing in the sanctuary above. And may it be the blessed privilege of many with “boldness to enter into the holiest by the blood of Jesus, by a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh.” (Heb. 10:19, 20.) This was the prayer and hope of the author of Hebrews, and this also is the hope of the author of this volume. Contained in this book are 52 devotional narratives designed to stir hearts. Each offers a Scripture verse, a true story and a prayer. The stories touch on many realities of life, like birth, death, marriage, singleness, and adoption, anger, resentment, discrimination, coping with cancer, mental illness and suicide. They also talk about miracles, responding to God’s call, being obedient to the Holy Spirit and receiving Jesus Christ as Lord and Savior. Millions upon millions of people struggle with depression every day. The motivation to keep going gets harder and harder and many are looking for a way out. The toxic effects of worthlessness come from an evaluation of ourselves that we are not good at something, not well-liked and not much use. Most self-help books try to address this by encouraging people to love and pamper themselves and tell themselves that they are special. This method completely bypasses the essential human need for blessing. A parental figure or mentor who speaks words of blessing into your life. There is nothing that can replace this powerful experience of being told you are loved by someone you respect and admire. Our Father in heaven wants to tell us this every day but Satan has blinded many in the world to look for value in other places and become deaf to that wonderful blessing of the Father—that you are his beloved child.
