The Giver Jan 17  
2023 Living in a  
"perfect" world  
without social ills, a  
boy approaches the  
time when he will  
receive a life  
assignment from  
the Elders, but his  
selection leads him  
to a mysterious  
man known as the  
Giver, who reveals  
the dark secrets  
behind the utopian  
facade.  
*Wuthering Heights*  
Apr 08 2022  
Wuthering Heights

is the name of Mr.  
Heathcliff's  
dwelling.  
"Wuthering" being  
a significant  
provincial adjective,  
descriptive of the  
atmospheric tumult  
to which its station  
is exposed in  
stormy weather.  
Pure, bracing  
ventilation they  
must have up there  
at all times, indeed:  
one may guess the  
power of the north  
wind blowing over  
the edge, by the  
excessive slant of a  
few stunted firs at  
the end of the  
house; and by a  
range of gaunt  
thorns all  
stretching their  
limbs one way, as if  
craving alms of the  
sun. Happily, the  
architect had  
foresight to build it  
strong: the narrow  
windows are deeply  
set in the wall, and

the corners defended with large jutting stones. Before passing the threshold, I paused to admire a quantity of grotesque carving lavished over the front, and especially about the principal door; above which, among a wilderness of crumbling griffins and shameless little boys, I detected the date "1500," and the name "Hareton Earnshaw." I would have made a few comments, and requested a short history of the place from the surly owner; but his attitude at the door appeared to demand my speedy entrance, or complete departure, and I had no desire to

aggravate his impatience previous to inspecting the penetralium. One stop brought us into the family sitting-room, without any introductory lobby or passage: they call it here "the house" pre-eminently. It includes kitchen and parlour, generally; but I believe at Wuthering Heights the kitchen is forced to retreat altogether into another quarter: at least I distinguished a chatter of tongues, and a clatter of culinary utensils, deep within; and I observed no signs of roasting, boiling, or baking, about the huge fireplace; nor any glitter of copper saucepans and tin cullenders

on the walls. One end, indeed, reflected splendidly both light and heat from ranks of immense pewter dishes, interspersed with silver jugs and tankards, towering row after row, on a vast oak dresser, to the very roof. The latter had never been under-drawn: its entire anatomy lay bare to an inquiring eye, except where a frame of wood laden with oatcakes and clusters of legs of beef, mutton, and ham, concealed it. Above the chimney were sundry villainous old guns, and a couple of horse-pistols: and, by way of ornament, three gaudily-painted canisters disposed along its ledge. The floor was of smooth,

white stone; the chairs, high-backed, primitive structures, painted green: one or two heavy black ones lurking in the shade. In an arch under the dresser reposed a huge, liver-coloured bitch pointer, surrounded by a swarm of squealing puppies; and other dogs haunted other recesses.

**Buchsbaum's Complete Handbook of Practical Electronic Reference Data** Feb 23 2021  
**The Gospel According to Matthew** Feb 18 2023 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language

literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.  
**The First Book of Moses, Called Genesis** Jun 22 2023 Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at

each book of the Bible.

**Lord of the Flies** Jun 29 2021 The classic study of human nature which depicts the degeneration of a group of schoolboys marooned on a desert island.

*Revelation* May 21 2023 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions.

According to these, empires will fall, the "Beast" will be

destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

*Esperanza Rising (Scholastic Gold)* Nov 15 2022 Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels.

Includes exclusive bonus content! Esperanza thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces Esperanza and Mama to flee to California and

settle in a Mexican farm labor camp.

Esperanza isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, Esperanza must find a way to rise above her difficult circumstances- because Mama's life, and her own, depend on it.

*Battle for Fort No-Name (Bedtime Stories Full Chapter Books for Kids 3)* Apr 27 2021

Best friends Jessy, Dave, Zach, and Betsy have all grown up together and always used an old ruin as a place to unwind and relax. Their childhood fort is an out-of-the-way little outpost that gives them a great place to look over the lakes of Mount Desert Island. They even say that as they get older, they'll keep coming here just to talk and watch the sun set. All their plans change when, one day, a big fishing company wants to build an ugly canning factory on top of their fort. Smooth-talking representative Troy Higgins of Sea Bounty tries to get the kids to just let things be. It's just an old ruin, he says.

But Troy doesn't understand that the kids need this place, and that they aren't about to let some company take their beloved hideout. Just how much shenanigans can a company representative take before deciding he should just take his factory elsewhere? Foster a love of reading with this educational resource. All stories are standalone and can be read by itself, Discover also companion study guides with quiz and discussion questions for readers to further interaction through fun activities. Author Nathan Ford returns with another page-turning mystery book for kids, a full length chapter book

for young readers aged 6 - 12 to have them at the edge of their seat! Each book also comes with a companion study guide for added study and discussion materials.

Long Walk to Freedom Nov 03 2021 "Essential reading for anyone who wants to understand history - and then go out and change it."

-President Barack Obama Nelson Mandela was one of the great moral and political leaders of

his time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. After his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela was at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is still revered everywhere as a vital force in the

fight for human rights and racial equality. Long Walk to Freedom is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela told the extraordinary story of his life -- an epic of struggle, setback, renewed hope, and ultimate triumph. The book that inspired the major motion picture Mandela: Long Walk to Freedom.

**Cochrane Handbook for Systematic Reviews of Interventions** May 17 2020  
Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have the time and resources to find, appraise and interpret this evidence and incorporate it into healthcare decisions. Cochrane Reviews respond to

this challenge by identifying, appraising and synthesizing research-based evidence and presenting it in a standardized format, published in The Cochrane Library ([www.thecochranelibrary.com](http://www.thecochranelibrary.com)). The Cochrane Handbook for Systematic Reviews of Interventions contains methodological guidance for the preparation and maintenance of Cochrane intervention reviews. Written in a clear and accessible format, it is the essential manual for all those preparing, maintaining and reading Cochrane reviews. Many of the principles and

methods described here are appropriate for systematic reviews applied to other types of research and to systematic reviews of interventions undertaken by others. It is hoped therefore that this book will be invaluable to all those who want to understand the role of systematic reviews, critically appraise published reviews or perform reviews themselves.

*Immunisation against infectious diseases* Jul 11 2022 This is the third edition of this publication which contains the latest information on vaccines and vaccination procedures for all the vaccine preventable

infectious diseases that may occur in the UK or in travellers going outside of the UK, particularly those immunisations that comprise the routine immunisation programme for all children from birth to adolescence. It is divided into two sections: the first section covers principles, practices and procedures, including issues of consent, contraindications, storage, distribution and disposal of vaccines, surveillance and monitoring, and the Vaccine Damage Payment Scheme; the second section covers the range of different diseases and vaccines.

[Alice in Wonderland](#)

Aug 12 2022 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence

generations of fiction writing.
